opening

From the first time she picked up a guitar, this singer-songwriter from rural Maine has used music as a sort of sonic superglue to bring people together. With her intoxicating mix of folk pop, smart lyrics and engaging personality, Catie Curtis has amassed a dedicated following, one that's steadily grown over 15 years and nine CDs. Her latest release, *Sweet Life*, proves once again that she's the real deal: a musician with the raw talent and artistic maturity that renders her a force to be reckoned with.
