

# ARI HEST

2009

“ Like Springsteen in his vivid songwriting and rich, mature voice ”

*Rolling Stone*

Ari Hest's recordings are a remarkable mix, distinguished by the intelligence, nuance and range of this "raspy-voiced romantic." But through his run of independent and major label releases, the Bronx native has reinvented himself time and again. His latest release, *12 Mondays*, showcases the full diversity of Hest's songwriting — from the haunting, mini-masterpiece "Broken Voices" to the *USA Today* pick "The Weight," which the paper praises as a "poignant, acoustic reverie."
