

# CHRIS SMITHER

2009

“ While banked in the blues, his songs are as modern as tomorrow’s paper ”

*Boston Globe*

If you’ve encountered this country blues legend on record, you most likely appreciate his been-there, done-that voice ... the crystalline, wordlessly eloquent sounds of his fingerpicked acoustic guitar ... and his exceptional songwriting, including numbers that have been covered by Emmylou Harris, Bonnie Raitt and Diana Krall. If you’ve caught Chris Smither live, says *No Depression*, “you know it’s hard not to come away knocked out by the amount of music that comes out of one man.”
